

Sorry for the late start today. Struggled to drag myself out of bed this morning. Wasn't even a late night. Think I may need to lay low today... read, work from the computer and get some rest.

**Psalm 46**

<sup>1</sup> God is our refuge and strength,  
an ever-present help in trouble.

<sup>2</sup> Therefore we will not fear, though the earth give way  
and the mountains fall into the heart of the sea,

<sup>3</sup> though its waters roar and foam  
and the mountains quake with their surging.  
I hope everyone has an awesome day.
