We are very much looking forward to her contributions to increasing the quality and operations of our ministry. Oh... and be sure to say a word of congratulations to her newlywed husband, David! (David Pritchard, is our ELL Coordinator).

Faculty Spotlight

Jeff Prentice

Athletic Director, Physical Education

- B.S. Houghton University

In my role as the Athletics Director and Physical Education/Health teacher, I have the unique opportunity to encourage and facilitate growth in my students' and athletes' physical, mental, social, and emotional development.

Success means creating an environment in my classes where each child feels safe, engaged, and challenged to learn how to become healthy, fit, and active in lifetime sports. In the area of interscholastic athletics, I expect us to do the best we can with the ability God has given us. We encourage our athletes to improve their fundamental skills and their ability to work as a team.

Lastly, our coaches, myself, and our athletes develop and model the fruits of the Spirit as we interact with each other, the referees, and our opponents and do our best to be salt and light in our sphere of influence.
