GIVE WITH PURPOSE

2023-2024 ANNUAL FUND

The Academy prepares students to live authentically, learn deeply, lead globally, and love boldly for the Glory of God! I am witnessing the reality and impact of these expected student outcomes as we engage with students daily.

These are exciting times in the life and history of Houghton Academy. In just the last few months, we've:

- Expanded our partnership with Houghton University
- Developed additional dual-enrollment opportunities through CampusEdu
- Launched a homeschool exploratory program
- Increased our course options to include multiple diploma tracks to meet the individual needs and aspirations of students
- Initiated a new literacy initiative (i.e., Drop Everything And Read)
- Increased opportunities for faculty and staff to disciple and interact with students through our Advisory and Chapel program
- And more!

In addition, this year, God has increased our enrollment with the largest incoming enrollment in over a hundred years! However, the Academy is still recovering from many years of decline and the adverse effects of the pandemic.

We need your support to meet our financial commitments to serve this year's students and faithfully care for our faculty, staff members, campus facilities, and grounds. For 2023-2024, our Annual Fund requires \$250,000 to close the gap between income and operational expenses. **To date, we have received \$26,189.58 towards our goal!**

Please help with your donation today. [Secure online donations can be made HERE](#) or by mailing your donation directly to:

Thank you for supporting this vital and significant ministry, especially in rebuilding and reigniting the global impact of Houghton Academy's ministry for the Gospel of Jesus Christ.

Grateful for your partnership,

Dr. Toby A. Travis
